Introduction

Description

I Have described all the problems here how students were
going through
and How I can give a better solutions

This is the dataset I've used to give the solution.

Summary

| Age(Years)	Study time (Hours)	Level of Education	Performance in online
24	**10**	**3**	**6.7**
Age(Years)	Study time (Hours)	Level of Education	Performance in online

Age(Years) by Performance in online

Visualizations-1

Age Wise Performance

Interested in?
◎ Both　● Practical　○ Theory

Line
● Age(Years) (Sum)

Gender wise using Devices

Performance in on...
22　　1,074

Gender
● Female　● Male

Visualization-2

Gender Wise Show the Time spent on social media in Study time

Gender
● Female ○ Male

Gender Wise Study the Number of Subjects

Gender
● Female ○ Male
